

24-Hour Report
Serious Accident Investigation Team
Team Lead – Jim Loach

Sequoia & Kings Canyon National Parks
October 3, 2004

Wildland firefighter Daniel Holmes, age 26, of Bellingham, Washington was killed yesterday when he was hit by a falling top of a dead tree on the Grant West Prescribed Fire in Kings Canyon National Park. He was a member of the Arrowhead Interagency Hotshot Crew. Daniel's family has been notified.

The accident occurred shortly after operations began at 11:00 a.m. on Saturday, October 2. With a four-acre test burn ignited, the top of a white fir tree unexpectedly fell where firefighters were working, striking Holmes. Approximately 20 firefighters witnessed the accident and provided immediate medical assistance. Holmes was carried to a waiting ambulance by his fellow crewmembers, but died while being transported to a Lifeflight helicopter landing zone in the park. Daniel never regained consciousness after the accident and was pronounced dead by the Lifeflight medical crew out of Fresno, California.

A National Interagency Serious Accident Investigation Team is assembling in the park.
